

PROJECT ASPIREE - TRIO Talent Search Program

Project ASPIREE identifies and assists individuals from income eligible backgrounds and/or potential first generation students (neither parent has a four-year college degree) who have the potential to succeed in higher education.

Through academic, personal, career, and financial counseling, Project ASPIREE encourages participants to graduate from high school and to complete the post-secondary program of their choice. Project ASPIREE serves students in grades 6-12. All services of the program are free to project participants.

Services include:

- Career Exploration
- Academic Advising
- Financial Counseling and Literacy
- College Visits
- Social Enrichment/Cultural Activities
- Mentoring and more . . .

PROJECT ASPIREE

Achieving Success through
Participation In Reaching Educational Excellence

TRIO

A TRIO Talent Search Program Funded
by the Federal Department of Education
sponsored by Vincennes University.

The mission of the Project ASPIREE Talent Search Program is to assist qualified income eligible and/or first generation students to graduate high school and also to complete a program of post-secondary education.
